Completing this application is a step in the process to acquiring a puppy from Avalon Pembroke Welsh Corgis, but it does not guarantee that you will get a puppy from this or any future litter. While it is unlikely, the breeder reserves the right to refuse any placement at any time.

*Please be sure to research the breed to make sure you are aware of the needs, intelligence level and personality traits of Pembroke Welsh Corgis. These dogs are not for everyone. You will need to put up with heavy shedding, strong personalities, high energy and high intelligence.

APPROVAL AND HOLDING FEE: We will review applications generally within 2-4 business days of receipt. Applications are processed in the order they are received. If your home is a good fit, we will notify you. We breed infrequently, so we will only take holding fees when puppies are expected or actually available. Holding fees are required to hold the puppy and are non-refundable.

GOING HOME: We cannot hold puppies for extended times; it is critical for their social development that the litter departs within a reasonable timeframe. If you have a big vacation planned or have events that would conflict with a young puppy, please know puppies cannot be boarded in a kennel until they have received their full immunizations and their rabies vaccinations which cannot be done until three (3) months of age.

CONTRACT: We have a contract and will not place a puppy without a signed contract. We believe it's the professional thing to do to memorialize our obligations to each other on paper so there are no questions later, and for that reason it's a bit lengthy. If you have questions about specific terms, you need to contact us prior to picking up your puppy.

SPAY/NEUTER: We require spay/neuter at or before 18 months. If you're a breeder you should probably look elsewhere.

ANY PUPPY FROM OUR HOME ALWAYS HAS A HOME HERE: If you are unable to keep your puppy/dog for any reason, you are required to contact us and give us the option to take the dog back. This does not mean your purchase price will be refunded; it means that we will have the option to take possession of the dog, and will then find an appropriate home for him/her. Our goal is that no puppy/dog we helped to create ever winds up in a shelter.

REGISTRATION PAPERS: All of our puppies come with paperwork from the AKC, and you will have the option to register the puppy with them.

Your signature is required below. By signing, you are confirming that you have read and agree to the conditions as listed above. You also understand that this is not a contract for sale of a puppy.
